

TB-001 Fiber Optic Termination Box

Description

Termination box TB-001 is suitable for jointing fiber cable and pigtail, and it protects fiber optic splices and helps to distribute. The termination box is for indoor wall Mounting.

Features

- * Light weight, small size, easy installation.
- * Provide splice connection protection of fiber cable and pigtail.
- * Made of engineering plastic material, which has mechanical strength, therefore it is reliable and long lasting.
- * Slide-N-Lock fiber optic splice tray with its opening angle above 90°C. Therefore it is easy for installation and maintenance.
