# FTB-DIN-2DSC Fiber optic distribution box

Application

FTB-DIN-2DSC box is designed for fiber optic cable management in compact spaces where on DIN35 rail. Thanks to its small size and DIN rail (DIN35) mounting bracket, it is suitable for installation in most electrical or data cabinets, automation systems, or electrical panels.
This unit can be supplied either with a DIN rail bracket or an angled wall-mount bracket (available upon request).

Specification:

- Made from 1 mm sheet steel
- Supports installation of 2 SC Duplex, ST Duplex, or LC Quadro adapters
- Includes splice holder for up to 12 splice protectors (heat shrink sleeves)
- Powder-coated surface in RAL 7035 grey
- Two cable entries for cables up to 8 mm diameter
- Eight 10x3 mm slots for securing cables with zip ties
- Dimensions: 70 x 65 x 33 mm (H x W x D)
- DIN rail mounting
